Design Document:

Project description:

This is a static website project using HTML and CSS for web development course of Northeastern University.
To build a personal portfolio site to showcase:
1. Different projects that I have worked on in various disciplines
2. What kind of person I am and my story
3. Provide other resources such as my contact info and LinkedIn link

User persona:

Yi Zhou, owner of this site
Ben, Yi's friend
Amy, a recruiter

User story:

Yi Zhou, owner of this site, he has an Architecture background and now he is taking another degree in Computer Science. He wants to have a personal portfolio site to showcase his projects and personal story.
Ben, Yi's friend, he is curious about Yi and his past experiences.
Amy, a recruiter, she wants to know Yi's strength check out his past projects so that she can decide if Yi's a good match for a position.

Design Mockup:
